

PANDA DAY NURSERY

'Providing quality childcare within a caring and stimulating environment'

Date: 15th January 2021

Dear Parents and Carers,

We would like to share our exciting news with you regarding the expansion of Panda Nursery at Marvell House, Cranbourne Street, HU3 1PP.

We have been provided with an opportunity to expand the existing setting, creating more spaces to include children from 6 weeks to 12 years old. This was an exciting opportunity which could not be missed.

As a result of this, we will be relocating all our activities to Panda at Marvell House.

We would like to take this opportunity to celebrate all of the achievements and celebrations over the past 10 years at Panda Spring Bank. However, we are looking forward to having everybody under one roof and to strive for success together at Panda at Marvell House. Please be reassured that all of your nursery spaces are secured when the moving date is finalised.

Over the years, our nursery has provided high quality care and education for babies and children from 6 weeks until starting school, and for our Out of School Club children. We want to ensure that your children are cared for in the best possible environment and we believe that Marvell House is the perfect purpose built setting. It provides friendly rooms, in which children can play, learn and have fun.

Here are a few facts about Panda at Marvell House:

- Is a purpose built setting, placed within Marvell House Children's centre.
- Is situated on the ground floor.
- Has direct access to the garden from the large room, providing free flow opportunities.
- Provides access to 2 gardens; the nursery garden and large front garden.
- Has secured CCTV system in the garden and main entrance.
- Is situated within a 5 minute walking distance from Panda Spring Bank. (5mins walk/2min drive)
- Has an onsite large car park.
- Has direct access to toilets for babies, toddlers and preschool.
- Provides the possibility of seeing the inside of the provision from the outside, with current coronavirus restrictions and being unable to enter our nursery.
- Will be undergoing further refurbishments ready for our arrival, including a brand new out of school club room.
- Is within close proximity to the local community, including shops, parks and primary schools.
- The nursery is not located directly by any of the main roads therefore the environment will be free from excessive traffic dust, fumes and noise, which was always our concern.
- Part of an established Children's Centre

Parent's/carers, please be reassured that:

- Your children's nursery places and hours are guaranteed. Any additional hours will be prioritised.
- Our team will be moving together with all the children, no staffing changes are planned.
- The same level of good quality education and care will be provided – however there will be an improvement to facilities available to us.

We hope you will continue your journey with Panda Nursery and are as excited as we are for the big move! We are currently unsure when this will take place, but will keep you all updated as we go along. Everybody will be located within Panda at Marvell House by September 2021 at the very latest. (subject to the Government's Covid restrictions)

If you have any questions or queries, please do not hesitate to speak to Iwona (the manager), by calling 01482 212152 or emailing info@pandanurseryhull.co.uk

Thank you again for your continuous support.
